

Apartment
€ 108.000
Ref. 823

57 sq.m. | Bathrooms: 1 | Bedrooms: 1 | Rooms: 1

Apartment of about 57 sq.m. with loggia, never inhabited... In the served area, a few minutes from the center of Loreto,

Studio apartment with kitchenette, bathroom with window and anteroom and a loggia.

The house is located on the 4th floor with lift and thanks to its western exposure it is very bright.

The property has a central heating system with solar panels, preparation of the air conditioning system and wooden shutters.

In addition to being thermally insulated, the house enjoys greater thermal comfort thanks to the insulation guaranteed by the two neighboring houses on the sides.

The building of which the house in question belongs was built in 2015 with anti-seismic criteria and boasts low condominium costs.
